WP5 – Communication and dissemination

General objectives:
- Create visibility for FOSC and its activities
- Facilitate productive knowledge exchange
- Support the funded projects in the effective dissemination of their research results
- Organise the funded projects' research programme meetings at the start, midterm and end of the co-funded projects
- Develop information tools for the dissemination of the results of the funded projects

Legend:
- General objectives
- Deliverables
- Task activities/output
- Tasks
- Milestone month
- Task Leader / *Task co-leader*

Deliverables and milestones:

- **D5.2** (M60) Report on communication and dissemination activities — WR
- **D5.3** (M18) Fact sheets of the research projects — WR
- **D5.4** (M20) Report — WR
- MHESR
- **D5.5** (M40) Report
- **D5.6** (M60) Report — WR

Task activities/output:
- Publications other media / **M1** Website
- Social media / **M12** Newsletter
- Video's / Flyers and Posters
- Style guide, logo, templates
- Webpages for projects / Policy and practice briefs
- Monitor C&D activities of projects (WP4.1) / Encourage consortia to address stakeholders
- Event (×3)
- Identification of relevant partners/organisations in the private and public food systems sector and other potential users of research on climate change and food systems

Tasks:
- T5.2 Prepare dissemination tools and products — WR
- T5.3 Support and facilitate the funded projects' communication activities — EV-ILVO / *WR*
- T5.4 Organise the Kick-off seminar to present the ERA-NET cofund and the selected projects including a workshop on effective communication, value creation or RRI — *WR / AM* / EV-ILVO / CIHEAM
- T5.5 Organise the mid-term seminar to present status and on-going implementation. Back to back with a training activity — *MHESR / CIHEAM* / AM / EV-ILVO
- T5.6 Organise the final seminar to present project results and recommendations on climate change and food systems — *WR / EV-ILVO* / AM / CIHEAM
- **D5.1** (M4) Communication & Dissemination strategy (C&D) — WR
- T5.1 Prepare communication and dissemination strategy — WR

WP5 (WR / *MHESR*)

FOSC Partners

WR: Wageningen Research

MHESR: Egyptian Ministry of Higher Education and Scientific Research

EV-ILVO: Flanders Research Institute for Agriculture, Fisheries and Food

AM: Hungarian Ministry of Agriculture

CIHEAM-IAMB: International Centre for Advanced Mediterranean Agronomic Studies
